

# Comic Strip

- 1** Pretend that you have just been asked to illustrate and write a comics section for your class newspaper.
- 2** Choose an event that happened in your classroom this week. Draw what happened in the three boxes. Make sure that they are in the correct order.
- 3** In the speech balloons, write what the students said or what you think they thought.
- 4** Cut out the speech balloons and glue them onto the comic strip.
