Enrichment Studies

Studyville School is offering enrichment classes for the students next year. Each student has signed up for 1 class.

1. How many students signed up for cooking?
2. How many more students signed up for foreign language than for art?
3. What fraction of the students signed up for music?
4. What fraction signed up for art?
5. No more than 30 students can be in any one class. How many classes of foreign language will be needed next year?
