

Treasure Chest Story

1 Think about stories you have read or movies you have seen about pirates and buried treasure.

2 Write a story about what you might find inside a buried treasure chest.

3 After writing the story, color and decorate the treasure chest. Then, cut it out and glue it onto a piece of construction paper.

Cut the lid off from the chest and tape it to the top of the construction paper. Tape the rest of the chest to the bottom. Add a picture of what you found inside.
