

Write for 3 minutes on each topic:

1. Tell me what you did this weekend. Was it fun? Be detailed please!
2. If you could travel anywhere you wanted, where would it be and why?
3. Imagine you are the first person to live on the moon. Tell me about what it might be like there.
4. If you could grow up to be anybody, who would you choose and why?
5. Tell me about your favorite toy. What is so cool about it? Could you survive without it?
